4        evidence or information ~~as may be in its possession~~ to the attorney general. The  
5        attorney general shall receive and accept ~~such~~the evidence or information and shall  
6        immediately commence ~~such an~~an additional investigation as the attorney general  
7        determines necessary. Upon completion of the investigation, if the evidence supplied  
8        by the committee and through the investigation indicates the probability of a violation  
9        of law by any state official or employee, the attorney general immediately shall  
10       prosecute ~~such~~the official or employee as provided by law. ~~Whenever~~  
11       3. ~~If the committee may determine~~determines that a state agency, department, or  
12       institution has failed to correct an audit finding within two bienniums which the  
13       committee determines critically important, ~~the:~~  
14       a. The committee may recommend the legislative assembly reduce the state  
15       agency, department, or institution's appropriation as compared with the amount  
16       appropriated to the agency, department, or institution for the previous biennium;  
17       b. The committee may recommend the office of management and budget reduce  
18       the state agency, department, or institution's current biennial appropriation,  
19       excluding federal funds, for salaries and wages and operating expenses as  
20       determined by the office of management and budget proportionally as follows:  
21       (1) By one percent if the same finding is identified in three audit reports; or  
22       (2) By two percent if the same finding is identified in four or more audit reports.  
23       c. If the state agency, department, or institution takes action to address the audit  
24       findings, the committee may recommend the office of management and budget  
25       reinstate the agency, department, or institution's appropriation previously reduced  
26       under subdivision b of this subsection.  
27       d. Reductions to appropriations under subdivision b of this subsection do not affect  
28       the agency, department, or institution's base budget used for budget preparation  
29       purposes.  
30       4. The legislative management, through its committee on legislative audit and fiscal  
31       review, or ~~such~~ persons as may be directed or employed by the legislative council, is

1 authorized, within the limits of legislative appropriations, to make such audits,  
2 examinations, or studies of the fiscal transactions or governmental operations of  
3 departments, agencies, or institutions of the state as the legislative management may  
4 determine necessary.

5 **SECTION 3.** A new section to chapter 54-44.1 of the North Dakota Century Code is created  
6 and enacted as follows:

7 **Office of management and budget to reduce appropriations - Audit findings - Report**  
8 **to legislative audit and fiscal review committee.**

9 The office of management and budget may reduce or reinstate a state agency, department,  
10 or institution's current biennial appropriation for salaries and wages and operating expenses, as  
11 determined by the office of management and budget, proportionally within thirty days of  
12 notification from the legislative audit and fiscal review committee, in accordance with the  
13 provisions of section 54-35-02.2. The office of management and budget shall report to the  
14 legislative audit and fiscal review committee if an agency, department, or institution's budget is  
15 not adjusted as recommended by the committee.
