6	Innovation loan fund to support technology advancement - Continuing appropriation.					
7	The innovation loan fund to support technology advancement is a special fund in the state					
8	treasury and must be administered by the department of commerce. All moneys in the fund are					
9	appropriated to the department of commerce on a continuing basis for the purpose of providing					
10	innovation technology loans and for administrative expenses. The department of commerce					
11	shall deposit in the innovation loan fund to support technology advancement all principal and					
12	interest paid on loans made from the fund. Interest earned on moneys in the fund must be					
13	credited to the fund.					
14	<u>Use of loan funds.</u>					
15	Loan recipients shall use innovation technology loan funds to enhance capacity and, to the					
16	extent possible, leverage state, federal, and private sources of funding. An entity receiving a					
17	loan under this chapter may not use the funds for capital or building investments or for research					
18	or other activities not identified in this chapter. The funds may not be used for academic or					
19	instructive programming, workforce training, administrative costs, or to supplant funding for					
20	regular operations of institutions of higher education. Unless otherwise approved by the					
21	committee, loan recipients may use funding only to conduct applied research, experimentation,					
22	or operational testing within the state. If an entity awarded a loan no longer conducts its					
23	activities in the state, the interest rate of the loan shall default to the rate of a standard Bank of					
24	North Dakota Ioan.					
25	Inne	ovati	on loan fund to support technology advancement - Postaward monitoring.			
26	Upon completion of work performed from funding provided by a loan, the department of					
27	commerce shall provide an independent review of the results. Evaluation criteria may include:					
28	<u>1.</u>	<u>Hov</u>	w the work performed has contributed to the development of a company or the			
29		<u>exp</u>	ansion of an existing company, has enhanced the ability of a company to make
