19	Total special funds	\$100,900,000	\$51,100,000

20       The 2021-23 biennium one-time funding amounts are not a part of the entity's base budget  
 21 for the 2023-25 biennium. The state water commission shall report to the appropriations  
 22 committees of the sixty-eighth legislative assembly on the use of this one-time funding for the  
 23 biennium beginning July 1, 2021, and ending June 30, 2023.

24       **SECTION 3. ADDITIONAL INCOME - APPROPRIATION - BUDGET SECTION**

25 **APPROVAL.** In addition to the amounts appropriated in section 1 of this Act, any additional  
 26 amounts in the resources trust fund which become available are appropriated, subject to budget  
 27 section approval, to the state water commission for the purpose of defraying the expenses of  
 28 that agency, for the period beginning with the effective date of this Act, and ending June 30,  
 29 2023. Before approving any request, the budget section shall determine:

- 30       1. Approving additional appropriations will not negatively affect the sixty-seventh
- 31       legislative assembly's ability to address water-related needs;

- 1           2.    The proposed use of the additional income complies with legislative intent; and
- 2           3.    The proposed use of the additional income will not result in future funding
- 3                 commitments.

4           **SECTION 4. APPROPRIATION - RESOURCES TRUST FUND - STATE WATER**

5   **COMMISSION DISCRETIONARY FUNDING.** There is appropriated out of any moneys in the  
6 resources trust fund in the state treasury, not otherwise appropriated, the sum of \$6,000,000, or  
7 so much of the sum as may be necessary, to the state water commission for the purpose of  
8 providing discretionary funds for water project grants, for the biennium beginning July 1, 2021,  
9 and ending June 30, 2023. This funding is considered to be a one-time funding item.

10          **SECTION 5. EXEMPTION - GRANTS - APPLICATION - WATER-RELATED PROJECTS -**

11 **CARRYOVER AUTHORITY.** Section 54-44.1-11 does not apply to funding of \$22,000,000 in the  
12 capital assets line item relating to state-owned projects and \$295,363,183 in the project  
13 carryover line item in section 1 of chapter 45 of the 2019 Session Laws. Any unspent funds from  
14 these appropriations may be continued into the 2021-23 biennium. Any funds continued may be  
15 expended only for the purpose for which it was originally appropriated. The state water  
16 commission may seek emergency commission and budget section approval under section  
17 54-16-04.2 to increase carryover spending authority of funds appropriated in the 2019-21  
18 biennium into the 2021-23 biennium.

19          **SECTION 6.** A new section to chapter 61-02 of the North Dakota Century Code is created  
20 and enacted as follows:

21          **Carryover projects - Reporting requirements to the legislative management.**

- 22          1.    The state water commission shall report quarterly to a legislative committee  
23                 designated by the legislative management:
  - 24                 a.   Each project the state water commission has designated as a carryover project  
25                         that has had a cost-share agreement in place for at least four years;
  - 26                 b.   The amount of funds still committed for each carryover project included in the  
27                         report;
  - 28                 c.   The total amount of funds reallocated or made available from carryover projects  
29                         included in a previous report to other projects since the commission's preceding  
30                         report; and

- 1           d. The status of each carryover project for which the committee has made a  
2                 recommendation under subsection 2 since the commission's preceding report.
- 3           2. The legislative committee designated by the legislative management to receive the  
4                 state water commission's reports may make a recommendation to the state water  
5                 commission that a carryover project included in a report be terminated under section  
6                 61-02-14.3 and any funds remaining for the carryover project be reallocated and made  
7                 available for projects with the same general purpose as the carryover project.

8           **SECTION 7. AMENDMENT.** Section 61-02-79 of the North Dakota Century Code is  
9 amended and reenacted as follows:

10           **61-02-79. Bank of North Dakota - Line of credit.**

11           The Bank of North Dakota shall extend a line of credit not to exceed ~~seventy-five~~ fifty million  
12 dollars at a rate of one and one-half percent over the three month London interbank offered  
13 rate, but may not exceed three percent to the state water commission. The state water  
14 commission shall repay the line of credit from funds available in the resources trust fund, water  
15 development trust fund, or other funds, as appropriated by the legislative assembly. The state  
16 water commission may access the line of credit, as necessary, to provide funding as authorized  
17 by the legislative assembly for ~~water supply projects approved before June 30, 2021, and flood-~~  
18 ~~control projects that have approval for funding before~~ the northwest area water supply project  
19 during the biennium beginning July 1, 2021, and ending June 30, 20242023.

20           **SECTION 8.** A new section to chapter 61-40 of the North Dakota Century Code is created  
21 and enacted as follows:

22           **Revenue bonds and bonds exempt from taxation.**

- 23           1. The authority shall have the power and authority to issue revenue bonds, to include  
24                 refunding bonds, for the purpose of financing construction of projects and incidental  
25                 facilities authorized by this chapter. Revenue bonds issued under this section must be  
26                 issued as provided in chapter 61-35, and are not subject to section 61-35-15.
- 27           2. Issuance of revenue bonds must be approved by a majority of the members of the  
28                 board of directors of the authority.
- 29           3. The authority shall pledge sufficient revenue from any revenue-producing facility or  
30                 other revenue sources, excluding industrial water sales, for the payment of principal  
31                 and interest on the bonds and shall establish rates for the facilities at a sufficient level.

1           together with any other available funds, to provide for the operation of the facilities and  
2           for the bond payments in the manner provided by section 61-40-11.

3           4. Revenue bonds may not be a general obligation of any participating member entity or  
4           the state and may not be secured by property taxes.

5           5. The revenue bonds may be issued and sold at public or private sale on the terms and  
6           conditions determined by the board of directors.

7           6. Bonds issued under this section and their income are exempt from taxation by the  
8           state.

9           **SECTION 9. PILOT PROJECT - BASINWIDE WATER PLAN IMPLEMENTATION -**

10          **REPORT TO LEGISLATIVE MANAGEMENT.** Of the \$1,100,000 in the basinwide plan  
11          implementation line item in section 1 of this Act, up to \$100,000 may be provided as a grant to  
12          reimburse water resource districts for costs incurred in the development of a basinwide water  
13          plan, and up to \$1,000,000 may be used to provide grants for the pilot project authorized in this  
14          section, for the period beginning with the effective date of this Act, and ending June 30, 2023.  
15          These funds are not subject to state water commission cost-share policies. Water resource  
16          districts and joint water resource districts in a basin may develop a basinwide water plan  
17          identifying water conveyance, flood control, and other water projects to be undertaken in the  
18          basin, and may jointly apply to the state water commission for a grant of up to \$1,000,000 for  
19          implementation of the plan. The state water commission may select a basinwide plan submitted  
20          under this section for funding and enter into one cooperative agreement with the water resource  
21          districts and joint water resource districts that submitted the plan. The cooperative agreement  
22          must include the amount of funding the state water commission will provide, a prohibition on  
23          using funds granted for implementation of the plan for planning or any purpose other than  
24          implementation of the basinwide plan, and the obligations of the state water commission and  
25          each water resource district and joint water resource district in implementing the basinwide  
26          plan. The agreement also must provide for monitoring and oversight of the basinwide plan's  
27          implementation. The state water commission shall report to the legislative management on the  
28          results of this pilot project no later than August 1, 2022.

29          **SECTION 10. STATE WATER COMMISSION - FARGO FLOOD CONTROL PROJECT**

30          **FUNDING LIMIT - LEGISLATIVE INTENT.** The state water commission may not approve state  
31          funding for Fargo flood control projects, including constructing a federally authorized Fargo

1 flood control project, in excess of a total of \$850,000,000, which includes \$414,500,000  
2 provided through June 30, 2021, without legislative approval. It is the intent of the sixty-seventh  
3 legislative assembly that the remaining \$435,500,000 is provided from bond proceeds during  
4 the biennium beginning July 1, 2021, and ending June 30, 2023.

5 **SECTION 11. STATE WATER COMMISSION - MOUSE RIVER FLOOD CONTROL**

6 **PROJECT FUNDING - LEGISLATIVE INTENT.** Excluding the funding provided for Mouse River  
7 flood control projects prior to the 2021-23 biennium, the state water commission may not  
8 approve state funding for the Mouse River flood control project in excess of a total of  
9 \$604,000,000 without legislative approval. It is the intent of the sixty-seventh legislative  
10 assembly that of the \$604,000,000, \$74,500,000 is provided from the resources trust fund  
11 through bond proceeds used to repay outstanding loans of the resources trust fund during the  
12 biennium beginning July 1, 2021, and ending June 30, 2023.

13 **SECTION 12. LEGISLATIVE INTENT - RURAL WATER SUPPLY.** It is the intent of the

14 sixty-seventh legislative assembly that, in addition to any funds approved for the project by the  
15 state water commission in previous bienniums, up to \$1,600,000 of the funding appropriated in  
16 the rural water supply - grants line item be made available during the 2021-23 biennium to the  
17 system 4 connection to system 1 rural water supply project sponsored by all seasons water  
18 district.

19 **SECTION 13. LEGISLATIVE MANAGEMENT STUDY - RED RIVER VALLEY WATER**

20 **SUPPLY MANAGEMENT STUDY - REPORT TO LEGISLATIVE MANAGEMENT.** During the  
21 2021-22 interim, the legislative management, with input from the state water commission and  
22 from stakeholders of the Red River valley water supply project, shall consider studying the  
23 management and operation of the Red River valley water supply project. The study must  
24 include consideration of the appropriate entity to own, manage, and operate the project. The  
25 legislative management shall report its findings and recommendations, together with any  
26 legislation required to implement the recommendations, to the sixty-eighth legislative assembly.

27 **SECTION 14. LEGISLATIVE MANAGEMENT STUDY - NORTHWEST AREA WATER**

28 **SUPPLY.** During the 2021-23 interim, the legislative management with input from the state  
29 water commission shall consider studying the northwest area water supply project. The study  
30 must include consideration of an entity, other than the state, to own, manage, and operate the  
31 project. The legislative management shall report its findings and recommendations, together

1 with any legislation required to implement the recommendations, to the sixty-eighth legislative  
2 assembly.

3 **SECTION 15. EMERGENCY.** This Act is declared to be an emergency measure.
