SECTION 2. LEGISLATIVE INTENT - AREA CAREER AND TECHNICAL CENTERS - SECONDARY GRANTS. It is the intent of the sixty-seventh legislative assembly that school districts:

- 1 1. Use federal funds available from the elementary and secondary school emergency
- 2 relief fund to effectively benefit students;
- 3 2. Prepare to provide for any future operating and maintenance costs relating to new or
- 4 expanded programs resulting from the expenditure of these federal funds because
- 5 state funds will not be provided to replace these federal funds; and
- 6 3. Prepare to provide increased local support for area career and technical centers since
- 7 state secondary grant funding is limited and the share of state assistance for these
- 8 programs may decrease if new or expanded programs are established.
