SECTION 5. AMENDMENT. Section 23.1-16-10 of the North Dakota Century Code is amended and reenacted as follows:

23.1-16-10. Certificate of inspection - Certificate to be posted.

The department shall issue a certificate of inspection for each boiler inspected upon receipt of an inspection report certifying that the boiler is in a safe condition to be operated. The department shall charge a fee of ~~twenty~~thirty-five dollars per year for each year that a certificate is valid, or part of a year thereof, for each certificate of inspection issued as the result of inspections authorized under sections 23.1-16-07 and 23.1-16-08. The fees are the liability of the owner or user and must be paid in accordance with rules adopted by the department. A certificate may not be issued for any boiler not in a safe condition to be operated or for a boiler for which the inspection and certificate fees have not been paid in full. A certificate is not valid for a period of more than thirty-six months for power boilers described in subsection 2 of section 23.1-16-07, and no more than twelve months for other power boilers, twelve months for steam traction engines, and thirty-six months for low-pressure boilers except that a two-month grace period may be extended for any certificate. Upon written request from a special inspector, the chief boiler inspector may issue a short-term certificate. Each certificate of inspection must be posted conspicuously under glass in the boiler room or adjacent to the boiler inspected.

1 **SECTION 6. LEGISLATIVE INTENT - FUNDING FOR WASTEWATER TESTING AND**
2 **LABORATORY INFORMATION MANAGEMENT SYSTEM - EMERGENCY COMMISSION**

3 **APPROVAL.** It is the intent of the sixty-seventh legislative assembly that the department of
4 environmental quality use federal COVID-19 relief funds or any funds for defraying the
5 expenses of wastewater testing. It is further the intent of the sixty-seventh legislative assembly
6 that the department of environmental quality use federal COVID-19 relief funds or other
7 available funds for defraying the expenses of the laboratory information management system
8 before accessing funding from the general fund. The department of environmental quality may
9 seek emergency commission approval to adjust the source of funds if a non-general fund
10 source is identified.

11 **SECTION 7. LOW-CARBON FUTURE INITIATIVE - LEGISLATIVE MANAGEMENT**

12 **REPORT.** During the 2021-22 interim, the department of environmental quality shall gather
13 information from private industry, private organizations, and government which relates to carbon
14 reduction initiatives, rules, or policies that will affect North Dakota residents and industries. In
15 gathering information, the department of environmental quality shall consider, review, and
16 report, as appropriate, technologies, operational practices, and conservation opportunities
17 directed at reducing the state's carbon intensity. The department of environmental quality shall
18 present the report to the legislative management by September 1, 2022.
