17 **SECTION 14. AMENDMENT.** Section 6-06-11 of the North Dakota Century Code is
18 amended and reenacted as follows:

19 **6-06-11. Annual meetings - Election of directors - Election or appointment of**
20 **committees.**

- 21 1. The organization meeting of the members of a credit union shall be the first annual
22 meeting. At its annual meeting, its members shall elect a board of directors of not less
23 than five members and a credit committee of not less than three members, unless the
24 bylaws of the credit union provide that the credit union may not have a credit
25 committee. A supervisory committee of not less than three members must be elected
26 at the annual meeting, unless the bylaws of the credit union provide that the
27 supervisory committee members be appointed by the board of directors of the credit
28 union or the bylaws provide that the credit union may not have a supervisory
29 committee. In the event the bylaws do not provide for a supervisory committee, then
30 the duties and powers of a supervisory committee, as described in section 6-06-15,
31 are the responsibility of the board of directors. The directors and committee members

1 if any, shall hold office for such terms, respectively, as provided by the bylaws of the
2 credit union and until their successors qualify. A record of the names and addresses of
3 the officers and members of the board and committees must be filed with the
4 commissioner within ten days after their election or appointment. Notice of any change
5 in membership on the board or committees by appointment to fill an unexpired term or
6 otherwise must be filed with the commissioner within ten days of such change. The
7 notice requirement is satisfied if the national credit union association's call report
8 profile is updated within the ten-day reporting requirement.

9 2. If the bylaws of the credit union provide for a credit committee, then pursuant to the
10 provisions of the bylaws, the board of directors may appoint or the members may elect
11 a credit committee which consists of an odd number of members of the credit union,
12 but which may not include more than one loan officer. The method used must be set
13 forth in the bylaws.

14 3. If the credit committee is dispensed with in the bylaws, a credit manager, under the
15 general supervision of the board of directors, may be empowered to approve or
16 disapprove loans subject to the policies and conditions prescribed by the board of
17 directors. The president or other qualified senior management official may serve as
18 the credit manager. If a credit manager is provided in lieu of an elected credit
19 committee, the credit manager may appoint one or more loan officers with the power
20 to approve or disapprove loans, and may establish an internal credit committee
21 comprised of designated credit union staff with the power to approve or disapprove
22 loans, subject to such limitations or conditions as the credit manager and board of
23 directors prescribes.

19 the persons proposed as new stockholders, directors, or officers is such that the
20 interests of the other stockholders, depositors, and creditors of the institution and
21 the public generally will be jeopardized by the change in control and
22 management.
- 23 b. The qualifications of management do not include adequate experience with

29 a hearing on the disapproval. The board must conduct a hearing, if requested, under

3 or more of any class of voting securities of an association, banking institution,
4 controlling bank holding company, or the direct or indirect power to control in any
5 manner the election of a majority of the directors of an association or banking
6 institution, or to direct the management or policies of an association or banking
7 institution, whether by individuals, corporations, limited liability companies,
8 partnerships, trusts, or other entities or organizations of any type.
- 9 8. The following acquisitions of voting securities of a North Dakota state chartered bank,
10 which would otherwise require submission of an application under this section, are not
11 subject to the application requirements if the acquiring person notifies the
12 commissioner within ninety days after the acquisition and provides any relevant
13 information requested by the commissioner: acquisition of voting securities through
14 inheritance; acquisition of voting securities as a bona fide gift; and acquisition of voting
15 securities in satisfaction of a debt previously contracted in good faith. This subsection
16 does not limit the authority of the commissioner to require a party to submit a written
17 application to the board under subsection 1.

19 as follows:

20 **6-06-14.1. Loans - How made - Security - Meetings and duties of loan administration -**
21 **Preferential loans.**

- 22 1. The duty of loan administration falls to the credit committee if the bylaws establish a
23 credit committee, or to the credit manager appointed by the board of directors if the
24 bylaws do not provide for a credit committee. At a minimum, loan administration must
25 include:
- 26 a. Oversight over all loans.

3 manager may require.

5 policies, including policy limits on the maximum unsecured loans to one borrower
6 and the limit on maximum total loans to a borrower.

8 committee or by the credit manager, except that the credit committee or credit
9 manager may appoint and delegate to one or more loan officers the power to
10 approve loans up to the limit established by the board of directors.
- 11 f. Sufficient segregation of duties to limit risk or error if possible. At a minimum, an
12 individual may not disburse funds of the credit union for any loan that has been
13 approved by that individual in that individual's capacity as a loan officer.
- 14 2. Not more than one member of the credit committee may be appointed as a loan
15 officer, unless credit union bylaws provide for a board of directors-appointed credit

17 the credit manager.

23 other persons.
- 24 c. Be written in strict conformity with the credit union's policies, rules, and
25 regulations.
- 26 4. An exception may be made for a loan otherwise prohibited by this section if the loan is
27 directly related to a retirement investment benefit plan for credit union employees.

28 **SECTION 17. REPEAL.** Section 6-06-14 of the North Dakota Century Code is repealed.

29 **SECTION 18. EMERGENCY.** This Act is declared to be an emergency measure.
