- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

SB 2202 allows for a property tax exemption to be granted for property leased for the provision of early childhood services.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

Section 1 of SB 2202 allows a city or county to grant a property tax exemption to a nonprofit organization that leases the property to a licensed operator for the purpose of providing early childhood services.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

It is not known how many cities or counties will utilize this provision and how many nonprofit property owners will choose to lease property to qualifying operators of early childhood services. The the property tax exemption authorized in SB 2202, if enacted, will not reduce the total property tax revenues of the political subdivision granting the exemption; it will shift the property tax burden onto other property owners in the jurisdiction. The net fiscal impact of SB 2202, if enacted, is zero.

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*
