- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

SB 2065 allows for the board of university and school lands to enter into agreements for the underground storage of hydrocarbons for which no fiscal impact is anticipated.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

The fiscal impact is unknown as the North Dakota Department of Trust Lands cannot project the revenues it may receive and the timing of those projected revenues.

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

The North Dakota Department of Trust Lands does not anticipate any increased expenditures due to SB 2065, rather there is anticipated to be a reallocation of time and resources to accommodate the impacts of this bill.

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*
