REMARKS OF SENATOR MYRDAL
Mr. President and fellow Senators,

It is my honor today to nominate Senator Larry Luick of D25, Fairmount, for the position of President Pro Temp of the North Dakota Senate.

Senator Luick is a farmer and an excavation contractor. He serves as VP on the board of Red River Human Services; NCSL Ag Task Force; NCSL Natural Resources Committee; Past President, Fairmount Public School Board; Past Director, OCIA; Past Member, OCIA Internal Review Committee; Past Director, SE Education Cooperative; Vice-chair, Agriculture
Senator Luick is hard working, conscientious, smart, innovative, meticulous in his thinking process man and a man of deep faith and one of the most humorous people I know. His knowledge of the AG sector is excellent, and he serves his constituents with integrity and commitment. I have had the honor of serving as the vice chair of AG with Sen. Luick since my arrival in the Senate and serve with him on Judiciary committee. For me personally, Mr. President he is my “go to guy” when bills and the policy process is challenging, always open to questions always responding with wisdom and knowledge. And yes humor! There are times his humor gets his seat mates in the Senate in trouble during Session, but I assume none but the front desk have ever noticed such.

By his own confession his mind works 24/7 which causes him to be here in chamber at early hours the rest of us would not even contemplate. As a matter of fact, Mr. President, very recently he did not show up at the usual early AM, and as the clock turned to 7AM his fellow early risers in the Senate started panicking and called the hotel to check on his wellbeing. True story. It was later discovered that the reason for his tardiness was Yolanda’s surprise visit and they were out eating breakfast. The crisis was over except rumor has it the current President Pro temp had a crisis of his own in the parking lot as he had no idea where to park since Luick’s car was not in the numbered spot.

Sincerely though Mr. President, I personally would not know how to serve well here in the Senate without the camaraderie and knowledge of Senator Luick. It is a deep honor for me to nominate him to President Pro Temp today, a public servant with quality of character such a position requires.

REMARKS OF SENATOR HOGAN

Mr. President, I move the nomination of Senator Tim Mathern for interim President Pro- tempore of the ND Senate.

As the second longest serving member of the chamber, Senator Mathern brings over three decades of experience (1987). He has served in many capacities including serving as Assistant Majority leader in the days when Democrats had the majority and as Minority leader when the tide turned.

Tim is known for his thoughtful and well-prepared floor speeches and his endless skill at preparing floor amendment. Tim will be buried with his stack of red folders. Tim has earned the respect of his peers by his consistent passion for good government that protects the most vulnerable, is open and transparent, protects the environment, and supports local decision making.

His respectful, quiet, and welcoming manner with every person he encounters has helped us all learn how to disagree without personal attack or criticism.

Tim has a great sense of humor and he would be an excellent President pro-tempore. Please support Tim’s nomination.

MOTION

SEN. MATHERN MOVED that nominations cease and that the Senate Cast a unanimous ballot in favor of electing Senator Larry Luick as Interim President pro Tempore, which motion prevailed.

MOTION

SEN. KLEIN MOVED that a committee of two be appointed to escort President Pro Tempore
Larry Luick to the rostrum, which motion prevailed.

The President appointed Sens. Myrdal and Schaible.

OATH OF OFFICE

THE PRESIDENT ADMINISTERED the Oath of Office to Interim President Pro Tempore Luick.

REMARKS OF INTERIM PRESIDENT PRO TEMPORE LUICK

Mr. President, fellow senators, staff, friends, family, visitors, and constituents online – Good afternoon. It is with sincere honor that I humbly address you today.

Mr. President, I first want to thank Senator Janne Myrdal of District 10 for nominating me to the position of President Pro Tem of the Senate. I have worked side by side with Senator Myrdal in the Agriculture and Judiciary Committees for three sessions, and she brings a tremendous amount of, not only knowledge, but conviction of duty to these committees and this chamber. Thank you Senator Myrdal you are deeply appreciated.

I also want to thank my 5 wonderful children, my sons-in-law and daughters-in-law for their support and being the best that any parent could ask for. Yolanda and I are so happy and proud of all of you. We are also blessed with 6 wonderful grandchildren that are a true gift from God.

Before I go too far into my acceptance speech for this position, I want to graciously recognize the most wonderful, most important person in my life for the last 40 plus years, my wife Yolanda. She is my best friend, my sounding-board and confidant. She gives me the support I need to focus on the important and positive things in my life. Thank you Yolanda, I love you with all my heart.

As I look around this chamber today, I look at each and every one of you a little differently from one to another. I love to watch people, their mannerisms, moods, actions under stress, actions under joy; picking out those that are confident and those that are unsure of themselves, etc. I see in this chamber the tremendous wealth of individual talents, of knowledge, experience and willingness to share those amassed talents to make the process of legislation work.

If you look at all of the different talents and causes represented here, the males/females, age groups, party affiliations, educational contrasts, experience contrasts, the introverts and the extraverts in this chamber; we have, I believe, what our founding fathers were looking for in a true citizen’s legislature representation. We have a very diverse group that is willing to be flexible to meet the needs that make North Dakota better place to live, work, and raise a family.

The work we do as legislators, is not something we can accomplish by ourselves. We are tremendously blessed to have staff that come to our aid to make this process happen. The Pages that bend over backwards for us, the front desk that is constantly on call, Sergeant-at-arms, thank you for watching over us. The leaders’ secretaries and assistants, thank you. And, how about Mrs. Renae Doan! I don’t know what kind of vitamins that lady takes to keep up with what she goes through every day, and always is pleasant and smiling. (I need to get me some of those!) The interns and clerks, I thank you. It is so wonderful to be assisted with reliable help. Staff of the IT department, what a challenge, let alone the tremendous challenges of virtual correspondence, we have as legislators trying to stump you with computer problems for you to figure out and fix. You are passing with flying colors, thank you! Legislative Council, virtual hugs to each and every one of you. You are all so appreciated and you have a huge fan base down here in the Senate. I thank you all sincerely.

A few days ago I began to realize just what this President Pro Tem position really was and what it meant. It dawned on me that I, the introvert mentioned earlier, was going to have to figure out what it was that the President of the Senate was actually doing up there on that big, extra high front desk, watching over all of us in the chamber, and everyone in the chamber and hundreds of other people online watching and hearing everything that this poor soul does. Now, you may not dwell too long on what he/she does, but my mind sure does, here are a few of the topics/chores that this individual is responsible for in the daily business
of overseeing this chamber; managing bills, amendments, points of order, announcements, reconsiderations, recesses, lights, vote counts, decorum, referrals, verification votes, vote changes, reports, prayers, pledge of allegiance, attendance, adjournment, conference committees, reports of committees, any unfinished business, concurrences, clinchers, reconsiderations of what we just reconsidered, another vote change, recorded roll call votes, emergency clauses, emergency orders, dividing the question, non-debatable questions, laying a question on the table, questions of personal privilege, questions of objections, calling the question, and so many more questions, and then the question of suspending the rules, WHAT? As we have to start all over again with a new set of rules? Well kind of, if we need to save a day…. But from what, is it in trouble?! Senator Klein? Would leadership please approach the bench?! This whole mind-trip of worry made me nervous about how I was going to handle this President Pro Tem thing. I was assured though, but a good friend of mine, and outgoing President Pro Tem that I am in excellence hands because Mr. Joe Wolf will be sitting up there at that big, extra high front desk; he will be my saving grace, the angel on my shoulder, the savior that will guide me through the confusing and complicated situations laying ahead of me. Well, I just hope and pray that Mr. Joe Wolf has had a double or triple dose of Renae Doan's vitamins and is ready for his “A” game when him and I meet up there at that big, extra high front desk! Because, the challenge is on for him!

In all seriousness, I want to thank my constituents of District 25 for your support, your prayers and your trust in me, to not only work on behalf of District 25, but for the betterment of the entire state of North Dakota.

In closing, I truly am grateful and honored to be part of this legislative assembly and I promise to do my very best to uphold and carry out the duties of the President Pro Tem of this distinguished chamber.

Thank you, thank you all!

One-time funding of $125,000 from the general fund added by the Senate for a settlement agreement relating to the North Dakota State University A. Glenn Hill Center construction project is removed by the House.

Funding for Forest Service is adjusted to provide salary adjustments of 1.5 percent on July 1, 2021, with a minimum monthly increase of $100, and 2 percent on July 1, 2022. The Senate provided salary adjustments of 2 percent on July 1, 2021, with a minimum monthly increase of $80 and a maximum monthly increase of $300, and 2 percent on July 1, 2022.

### Senate Bill No. 2003 - Other Changes - House Action

This amendment also:

- Removes a deficiency appropriation of $474,657 added by the Senate for North Dakota State University litigation fees relating to the A. Glenn Hill Center project.
- Removes a section which was also included in Senate Bill No. 2033 to provide for a transfer from the Bank of North Dakota to the University System capital building fund.
- Provides authorization for North Dakota State University to spend up to $85 million for the agriculture products development center project.
- Provides authorization for various capital projects recommended by the State Board of Higher Education to be completed using funding from each institution’s allocation under the University System capital building fund program.
- Increases funding from the strategic investment and improvements fund (SIIF) for the Dakota College at Bottineau Old Main renovation project to provide $2.5 million from SIIF and $1.5 million from other local funds. The Senate provided $2 million from SIIF and $2 million from other local funds for the project.
- Adds sections to provide for the UND of Medicine and Health Sciences to be eligible for up to $1.5 million under the challenge grant program.
- Removes the section added by the Senate which provided for the restoration of the hold-harmless provision of the higher education funding formula.
- Adds a section to allow the transfer of Dakota Institute inventory to its author or producer.
- Adds a section of legislative intent that UND discontinue making payments to other
institutions for nursing education simulation laboratory costs.
• Adds a section to provide for a Legislative Management study of student affordability, including financial assistance available to students.
• Adds a section to provide for a Legislative Management study of mechanisms to stabilize funding for higher education.
• Amends a section to provide for a Legislative Management study of the higher education funding formula rather than a State Board of Higher Education study.
