2 relating to medical assistance tribal health care coordination agreements; to repeal section  
3 50-24.1-40 of the North Dakota Century Code, relating to medical assistance tribal health care  
4 coordination agreements; to provide for legislative management and legislative council reports;  
5 to provide a continuing appropriation; and to provide a contingent effective date.

6 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

7 **SECTION 1. AMENDMENT.** Section 50-24.1-40 of the North Dakota Century Code is  
8 amended and reenacted as follows:

9 **50-24.1-40. Medical assistance - Tribal health care coordination agreements -**  
10 **Continuing appropriation - Report to legislative management.**

11 1. As used in this section:

12 a. "Care coordination agreement" means an agreement between a health care  
13 provider and tribal health care organization which will result in one hundred  
14 percent federal funding for eligible medical assistance provided to an American  
15 Indian.

16 b. "Tribal health care organization" means Indian health services or a tribal entity  
17 providing health care under the federal Indian Self-Determination and Education  
18 Assistance Act of 1975 [Pub. L. 93-638; 88 Stat. 2203; 25 U.S.C. 5301 et seq.].

19 2. The department of human services shall facilitate care coordination agreements. ~~Of~~  
20 ~~any~~The department shall deposit all federal funding received in excess of the state's  
21 regular share of federal medical assistance funding which results from care  
22 coordination agreements, ~~the department shall deposit sixty percent~~ in the tribal health  
23 care coordination fund ~~and forty percent in the general fund.~~

24 3. There is created in the state treasury a tribal health care coordination fund.

- 1           a. Moneys in the fund are appropriated to the department on a continuing basis for  
2           distribution to a tribal government in accordance with an agreement between the  
3           department and a tribal government. The agreement between the department  
4           and a tribal government must require the tribe to:
- 5           (1) Use the money distributed under this section for health-related purposes  
6           related to the ten essential services of public health identified by the federal  
7           centers for disease control and prevention and the development or  
8           enhancement of community health representative programs or services;  
9           however, through June 30, 2025, no more than seventy-five percent and  
10           thereafter, no more than thirty-five percent may be used for capital  
11           construction. Health-related purposes may include population health-  
12           programs or services, marketing or education related to health-related-  
13           programs or services, or developing or enhancing community health-  
14           representative programs or services. Health-related purposes may not  
15           include capital construction, stipends to individuals for services, or services  
16           that are covered by Indian health services, Medicaid, or other third-party  
17           payers, or state-funded programs.
- 18           (2) Submit to the department annual reports detailing the use of the money  
19           distributed under this section.
- 20           (3) Submit to the department every two years an audit report, conducted by an  
21           independent licensed certified public accountant, of the tribal government  
22           use of the money distributed under this section. A tribal government may  
23           use money distributed under this section to pay for this audit report. At the  
24           discretion of a tribal government, an audit may be conducted more often  
25           than every two years.
- 26           b. The distribution of moneys from the fund to a tribal government must be in  
27           proportion to the federal funding received from care coordination agreement  
28           requests for services originating from within that tribal nation.
- 29           c. At least annually, upon completion of any auditing and verification actions of the  
30           department, the department shall distribute moneys from the fund to the tribal  
31           government.

1           d. If a tribal government fails to file with the department a timely annual report or  
2           audit report, the department shall withhold distribution of moneys from the fund to  
3           the tribal government until the report is filed.

4           e. If an audit report or the department's review of the annual report finds a tribal  
5           government used moneys distributed from the fund for a purpose inconsistent  
6           with this section, the department shall withhold future distributions to that tribal  
7           government in an amount equal to the money used improperly. The department  
8           shall distribute money withheld from a tribal government under this subdivision if  
9           a future audit report indicates moneys distributed from the fund are used for  
10          purposes consistent with this section.

11          4. ~~Before August of each even-numbered year, the department shall compile and~~  
12          ~~summarize the annual reports and audit reports from the participating tribal~~  
13          ~~governments and provide the legislative management with a biennial report on the~~  
14          ~~fund and tribal government use of money distributed from the fund.~~ each participating  
15          tribe shall compile data and provide the legislative management with a biennial report  
16          on the tribe's use of money distributed from the fund.

17          **SECTION 2. REPEAL.** Section 50-24.1-40 of the North Dakota Century Code is repealed.

18          **SECTION 3. DEPARTMENT OF HUMAN SERVICES - REPORT TO LEGISLATIVE**

19          **COUNCIL.** On January 2, 2023, the executive director of the department of human services  
20          shall certify to the legislative council whether any care coordination agreements have been  
21          facilitated under section 50-24.1-40 by December 31, 2022. If no care coordination agreements  
22          have been facilitated, the executive director also shall certify this status to the secretary of state.

23          **SECTION 4. CONTINGENT EFFECTIVE DATE.** Section 2 of this Act becomes effective on  
24          January 3, 2023, if the executive director of the department of human services certifies to the  
25          secretary of state and to the legislative council that by December 31, 2022, no care coordination  
26          agreements have been facilitated under section 50-24.1-40.
