¹Pursuant to Chapter 54-27.2, any end-of-biennium balance in excess of \$65 million must be transferred to the budget stabilization fund, up to a maximum of 15 percent of general fund appropriations.

2021-23 Biennium General Fund Turnback

Ms. Sisk reported on the 2021-23 biennium agency unspent general fund appropriation amounts (turnback). Unspent 2021-23 biennium general fund appropriation authority totaled approximately \$282.5 million. She noted:

- The Department of Public Instruction had turnback of \$55.3 million, which was a result of reduced state school aid spending due to lower than anticipated enrollment growth.
- The Department of Human Services had turnback of \$185.4 million, which primarily related to lower than anticipated cost and caseload levels and the enhanced COVID-19 federal medical assistance percentage.
- The Department of Corrections of Rehabilitation had turnback of \$8.8 million, which primarily related to the use of federal coronavirus relief funds for employee salaries.

2021-23 Biennium Capital Construction Carryover

Ms. Sisk reported on 2021-23 biennium capital construction carryover. Funding of \$31.9 million for the 2021-23 biennium was continued into the 2023-25 biennium. Of the total amount, \$10.3 million was for the continuation of Department of Transportation projects.
