## 3 - Bill and Fiscal Impact Summary

Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).

SB 2275 changes the allocation of the state share of oil and gas tax collections.

## 4 - Fiscal Impact Sections Detail

Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.

Section 1 of HB 2275 modifies the allocation of the state's share of oil and gas tax collections by removing the allocation of \$400 M to SIIF in the 2023-2025 biennium. By removing the allocation to this fund, the infrastructure funds may fill up sooner and the remaining revenues will be placed into SIIF. Currently, based on estimates the buckets would all fill within the biennium and SIIF would receive \$400 M. Since the estimated revenue flow into the SIIF fund are at least \$400 M, there was no fiscal note noted in 1A above since it would cancel each other out.
