RE: SB2275 In favor

The City of Glen Ullin would like you to place the city infrastructure buckets before the SIIF Fund as Operation Prairie Dog fund was originally set up.

The City of Glen Ullin works hard to find grants and other money to fix our aging infrastructure and this was supposed to be a source of income we could use to provide cost share for many grants.

With an aging population and nonoil producing town, we struggle as so many other towns do. This program was a long awaited program that has now let us down. Please vote in favor of this bill. Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink that reads "Vicki Horst".
