

CHAPTER 26.1-10
INSURANCE HOLDING COMPANY SYSTEMS

26.1-10-01. Definitions.

As used in this chapter, unless the context or subject matter otherwise requires:

1. "Affiliate" means a person that directly, or indirectly through one or more intermediaries, controls, or is under the control of, or is under common control with, the person specified.
2. "Control" means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control is presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing ten percent or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided for in subsection 9 of section 26.1-10-04, that control does not exist in fact. The commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.
3. "Enterprise risk" means any activity, circumstance, event, or series of events involving one or more affiliates of an insurer which, if not remedied promptly, is likely to have a material adverse effect upon the financial condition or liquidity of the insurer or the insurer's insurance holding company system as a whole including anything that would cause the insurer's risk-based capital to fall into company action level as set forth in section 26.1-03.1-03 or would cause the insurer to be in hazardous financial condition as set forth in North Dakota Administrative Code section 45-03-13-01.
4. "Groupwide supervisor" means the regulatory official authorized to engage in conducting and coordinating groupwide supervision activities who is determined or acknowledged by the commissioner under section 26.1-10-06.2 to have sufficient significant contacts with the internationally active insurance group.
5. "Insurance holding company system" means two or more affiliated persons, one or more of which is an insurer.
6. "Insurer" has the same definition as provided in section 26.1-29-02, except the term does not include an agency, authority, or instrumentality of the United States or its possessions or a state or political subdivision of a state.
7. "Internationally active insurance group" means an insurance holding company system that includes an insurer registered under section 26.1-10-04, and meets the following criteria:
 - a. Premiums written in at least three countries;
 - b. The percentage of gross premiums written outside the United States is at least ten percent of the insurance holding company system's total gross written premiums; and
 - c. Based on a three-year rolling average, the total assets of the insurance holding company system are at least fifty billion dollars or the total gross written premiums of the insurance holding company system are at least ten billion dollars.
8. "Person" means an individual, a corporation, a limited liability company, a partnership, an association, a joint stock company, a trust, or an unincorporated organization or any similar entity or any combination of the foregoing acting in concert. The term does not include any joint venture partnership exclusively engaged in owning, managing, leasing, or developing real or tangible personal property.
9. "Securityholder" of a specified person means the owner of any security of the person, including common stock, preferred stock, debt obligations, and any other security convertible into or evidencing the right to acquire any of the foregoing.

10. "Subsidiary" of a specified person means an affiliate under the control of the person directly, or indirectly through one or more intermediaries.
11. "Voting security" includes any security convertible into or evidencing a right to acquire a voting security.

26.1-10-02. Subsidiaries of insurers.

1. Any domestic insurer, either by itself or in cooperation with one or more persons, may organize or acquire one or more subsidiaries. A subsidiary may conduct any kind of business and its authority to do so is not limited because it is a subsidiary of a domestic insurer.
2. In addition to investments in common stock, preferred stock, debt obligations, and other securities permitted under all other sections of this chapter, a domestic insurer may also:
 - a. Invest, in common stock, preferred stock, debt obligations, and other securities of one or more subsidiaries, amounts which do not exceed the lesser of ten percent of the insurer's assets or fifty percent of the insurer's surplus as regards policyholders; provided, that after the investments the insurer's surplus as regards policyholders will be reasonable in relation to the insurer's outstanding liabilities and adequate to meet its financial needs. In calculating the amount of the investments, investments in domestic or foreign insurance subsidiaries and health maintenance organizations shall be excluded, and there must be included:
 - (1) Total net moneys or other consideration expended and obligations assumed in the acquisition or formation of a subsidiary, including all organizational expenses and contributions to capital and surplus of such subsidiary whether or not represented by the purchase of capital stock or issuance of other securities; and
 - (2) All amounts expended in acquiring additional common stock, preferred stock, debt obligations, and other securities, and all contributions to the capital or surplus of a subsidiary subsequent to its acquisition or formation.
 - b. Invest any amount in common stock, preferred stock, debt obligations, and other securities of one or more subsidiaries engaged or organized to engage exclusively in the ownership and management of assets authorized as investments for the insurer, provided that each subsidiary agrees to limit its investments in any asset so that the investments will not cause the amount of the total investment of the insurer to exceed any of the investment limitations specified in subdivision a. "The total investment of the insurer" includes:
 - (1) Any direct investment by the insurer in an asset; and
 - (2) The insurer's proportionate share of any investment in an asset by any subsidiary of the insurer which must be calculated by multiplying the amount of the subsidiary's investment by the percentage of the ownership of the subsidiary.
 - c. With the approval of the commissioner, invest any greater amount in common stock, preferred stock, debt obligations, or other securities of one or more subsidiaries; provided, that after the investment the insurer's surplus as regards policyholders will be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.
3. Investments in common stock, preferred stock, debt obligations, or other securities of subsidiaries made pursuant to subsection 2 are not subject to any of the otherwise applicable restrictions or prohibitions applicable to such investments of an insurer.
4. Whether any investment pursuant to subsection 2 meets the applicable requirements thereof is to be determined before the investment is made, by calculating the applicable investment limitations as though the investment had already been made, taking into account the then outstanding principal balance on all previous investments in debt obligations, and the value of all previous investments in equity securities as of the date they were made net of any return of capital invested, not including dividends.

5. If an insurer ceases to control a subsidiary, it shall dispose of any investment therein made pursuant to this section within three years from the time of the cessation of control or within such further time as the commissioner prescribes, unless at any time after the investment has been made, the investment has met the requirements for investment under any other section, and the insurer has so notified the commissioner.

26.1-10-03. Acquisition of control of or merger with domestic insurer - Penalties.

1. a. A person other than the issuer may not make a tender offer for or a request or invitation for tenders of, or enter into any agreement to exchange securities for, seek to acquire, or acquire, in the open market or otherwise, any voting security of a domestic insurer if, after consummation, the person would, directly or indirectly, or by conversion or by exercise of any right to acquire, be in control of the insurer, and a person may not enter an agreement to merge with or otherwise to acquire control of a domestic insurer or any person controlling a domestic insurer unless, at the time the offer, request, or invitation is made or the agreement is entered into, or prior to the acquisition of the securities if no offer or agreement is involved, the person has filed with the commissioner and has sent to the insurer, a statement containing the information required by this section and the offer, request, invitation, agreement, or acquisition has been approved by the commissioner in the manner prescribed in this chapter.
 - b. For purposes of this section, any controlling person of a domestic insurer seeking to divest the person's controlling interest in the domestic insurer, in any manner, shall file with the commissioner, with a copy to the insurer, confidential notice of the person's proposed divestiture at least thirty days before the cessation of control. The commissioner shall determine those instances in which a party seeking to divest or to acquire a controlling interest in an insurer, will be required to file for and obtain approval of the transaction. The information remains confidential until the conclusion of the transaction unless the commissioner determines confidential treatment will interfere with enforcement of this section. If the statement referred to in subdivision a is otherwise filed, this subdivision does not apply.
 - c. With respect to a transaction subject to this section, the acquiring person shall file a preacquisition notification with the commissioner which must contain the information set forth in subdivision a of subsection 3 of section 26.1-10-03.1. Failure to file the notification may result in penalties specified in subdivision e of subsection 5 of section 26.1-10-03.1.
 - d. For purposes of this section, a domestic insurer includes any other person in control of a domestic insurer unless the other person, as determined by the commissioner, is either directly or through its affiliates primarily engaged in business other than the business of insurance. For purposes of this section, the term "person" does not include a securities broker holding, in the usual and customary broker's function, less than twenty percent of the voting securities of an insurer or of any person that controls an insurer.
2. The statement to be filed with the commissioner must be made under oath or affirmation and must contain the following:
 - a. The name and address of each person by whom or on whose behalf the merger or other acquisition of control referred to in subsection 1 is to be effected, hereinafter called the "acquiring party":
 - (1) If the person is an individual, the individual's principal occupation and all offices and positions held during the past five years, and any conviction of crimes other than minor traffic violations during the past ten years.
 - (2) If the person is not an individual, a report of the nature of its business operations during the past five years or for any lesser period as the person and any predecessors thereof have been in existence; an informative description of the business intended to be done by the person and the person's subsidiaries; and a list of all individuals who are or who have been

selected to become directors or executive officers of the person, or who perform or will perform functions appropriate to these positions. The list must include for each individual the information required by this subsection.

- b. The source, nature, and amount of the consideration used or to be used in effecting the merger or other acquisition of control, a description of any transaction that funds were or are to be obtained for any such purpose, including any pledge of the insurer's stock, or the stock of any of the insurer's subsidiaries or controlling affiliates, and the identity of persons furnishing the consideration; provided, however, that if a source of the consideration is a loan made in the lender's ordinary course of business, the identity of the lender must remain confidential, if the person filing the statement so requests.
- c. Fully audited financial information as to the earnings and financial condition of each acquiring party for the preceding five fiscal years of each acquiring party, or for any lesser period as the acquiring party and any predecessors thereof have been in existence, and similar unaudited information as of a date not earlier than ninety days prior to the filing of the statement.
- d. Any plans or proposals which each acquiring party may have to liquidate the insurer, to sell its assets or merge or consolidate it with any person, or to make any other material change in its business or corporate structure or management.
- e. The number of shares of any security referred to in subsection 1 which each acquiring party proposes to acquire, and the terms of the offer, request, invitation, agreement, or acquisition referred to in subsection 1, and a statement as to the method used to arrive at the fairness of the proposal.
- f. The amount of each class of any security referred to in subsection 1 which is beneficially owned or concerning which there is a right to acquire beneficial ownership by each acquiring party.
- g. A full description of any contracts, arrangements, or understandings with respect to any security referred to in subsection 1 in which any acquiring party is involved, including transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or guarantees of profits, division of losses or profits, or the giving or withholding of proxies. The description must identify the persons who have entered into the contracts, arrangements, or understandings.
- h. A description of the purchase of any security referred to in subsection 1 during the twelve calendar months preceding the filing of the statement, by any acquiring party, including the dates of purchase, names of the purchasers, and consideration paid or agreed to be paid.
- i. A description of any recommendations to purchase any security referred to in subsection 1 made during the twelve calendar months preceding the filing of the statement, by any acquiring party, or by anyone based upon interviews or at the suggestion of the acquiring party.
- j. Copies of all tender offers for, requests or invitations for tenders of, exchange offers for, and agreements to acquire or exchange any securities referred to in subsection 1, and, if distributed, of additional soliciting material relating thereto.
- k. The term of any agreement, contract, or understanding made with or proposed to be made with any broker-dealer as to solicitation of securities referred to in subsection 1 for tender, and the amount of any fees, commissions, or other compensation to be paid to broker-dealers with regard thereto.
- l. An agreement by the person required to file the statement referred to in subsection 1 to provide the annual report, specified in subsection 12 of section 26.1-10-04, for so long as control exists.
- m. An acknowledgment by the person required to file the statement referred to in subsection 1, that the person and all subsidiaries within the person's control in the insurance holding company system will provide information to the commissioner upon request as necessary to evaluate enterprise risk to the insurer.

- n. Any additional information the commissioner by rule prescribes as necessary or appropriate for the protection of policyholders of the insurer or in the public interest.

If the person required to file the statement referred to in subsection 1 is a partnership, limited partnership, syndicate, or other group, the commissioner may require that the information called for by subdivisions a through n must be given with respect to each partner of the partnership or limited partnership, each member of the syndicate or group, and each person who controls the partner or member. If any partner, member, or person is a corporation or the person required to file the statement referred to in subsection 1 is a corporation, the commissioner may require that the information called for by subdivisions a through n must be given with respect to the corporation, each officer and director of the corporation, and each person who is directly or indirectly the beneficial owner of more than ten percent of the outstanding voting securities of the corporation.

If any material change occurs in the facts set forth in the statement filed with the commissioner and sent to the insurer pursuant to this section, an amendment setting forth the change, together with copies of all documents and other material relevant to the change, must be filed with the commissioner and sent to the insurer within two business days after the person learns of the change.

3. If any offer, request, invitation, agreement, or acquisition referred to in subsection 1 is proposed to be made by means of a registration statement under the Securities Act of 1933 or in circumstances requiring the disclosure of similar information under the Securities Exchange Act of 1934, or under a state law requiring similar registration or disclosure, the person required to file the statement referred to in subsection 1 may utilize those documents in furnishing the information called for by that statement.
4. a. The commissioner shall approve any merger or other acquisition of control referred to in subsection 1 unless, after a public hearing, the commissioner finds that:
 - (1) After the change of control, the domestic insurer referred to in subsection 1 would not be able to satisfy the requirements for the issuance of a certificate of authority to write the lines of insurance for which it is presently licensed.
 - (2) The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in this state or tend to create a monopoly. In applying the competitive standard in this subdivision:
 - (a) The information requirements of subdivision a of subsection 3 of section 26.1-10-03.1 and the standards of subdivision b of subsection 4 of section 26.1-10-03.1;
 - (b) The merger or other acquisition may not be disapproved if the commissioner finds that any of the situations meeting the criteria provided by subdivision c of subsection 4 of section 26.1-10-03.1 exist; and
 - (c) The commissioner may condition the approval of the merger or other acquisition on the removal of the basis of disapproval within a specified period of time.
 - (3) The financial condition of any acquiring party might jeopardize the financial stability of the insurer or prejudice the interest of its policyholders.
 - (4) The plans or proposals which the acquiring party has to liquidate the insurer, sell its assets or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, are unfair and unreasonable to policyholders of the insurer and not in the public interest.
 - (5) The competence, experience, and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control.

- (6) The acquisition is likely to be hazardous or prejudicial to the insurance buying public.
 - b. The public hearing referred to in subdivision a must be held within thirty days after the statement required by subsection 1 is filed and at least twenty days' notice must be given by the commissioner to the person filing the statement. Not less than seven days' notice of the hearing must be given by the person filing the statement to the insurer and to other persons designated by the commissioner. The commissioner shall make a determination within the sixty-day period preceding the effective date of the proposed transaction. At the hearing, the person filing the statement, the insurer, any person to whom notice of hearing was sent, and any other person whose interests may be affected have the right to present evidence, examine and cross-examine witnesses, and offer oral and written arguments and in connection therewith are entitled to conduct discovery proceedings in the same manner allowed in district court of this state. All discovery proceedings must be concluded not later than three days prior to the hearing.
 - c. If the proposed acquisition of control will require the approval of more than one commissioner, the public hearing referred to in subdivision b may be held on a consolidated basis upon request of the person filing the statement referred to in subsection 1. Within five days of making the request for a public hearing, the person shall file the statement referred to in subsection 1 with the national association of insurance commissioners. A commissioner may opt out of a consolidated hearing and shall provide notice to the applicant of the opt out within ten days of the receipt of the statement referred to in subsection 1. A hearing conducted on a consolidated basis is public and must be held within the United States before the commissioners of the states in which the insurers are domiciled. The commissioners shall hear and receive evidence. A commissioner may attend the hearing in person or by telecommunication.
 - d. In connection with a change of control of a domestic insurer, any determination by the commissioner that the person acquiring control of the insurer must be required to maintain or restore the capital of the insurer to the level required by the laws and rules of this state must be made not later than sixty days after the date of notification of the change in control submitted pursuant to subdivision a of subsection 1.
 - e. The commissioner may retain at the acquiring person's expense any attorneys, actuaries, accountants, and other experts not otherwise a part of the commissioner's staff as may be reasonably necessary to assist the commissioner in reviewing the proposed acquisition of control.
5. This section does not apply to:
 - a. Any transaction which is subject to the provisions of chapter 26.1-07, dealing with the merger or consolidation of two or more insurers.
 - b. Any offer, request, invitation, agreement, or acquisition which the commissioner by order exempts as not having been made or entered for the purpose and not having the effect of changing or influencing the control of a domestic insurer or as otherwise not comprehended within the purposes of this section.
 6. The following is a violation of this section:
 - a. The failure to file any statement, amendment, or other material required to be filed pursuant to subsection 1 or 2.
 - b. The effectuation or any attempt to effectuate an acquisition of control of, divestiture of, or merger with, a domestic insurer without the approval of the commissioner.
 7. The courts of this state have jurisdiction over every person not resident, domiciled, or authorized to do business in this state who files a statement with the commissioner under this section, and over all actions involving the person arising out of violations of this section, and each person is deemed to have performed acts equivalent to and constituting appointment of the commissioner as the person's attorney upon whom

may be served all lawful process in any action, suit, or proceeding arising out of violations of this section. Copies of all lawful process must be served on the commissioner and transmitted by registered mail by the commissioner to the person at the person's last-known address.

26.1-10-03.1. Acquisitions involving insurers not otherwise covered.

1. For the purpose of this section:
 - a. "Acquisition" means any agreement, arrangement, or activity the consummation of which results in a person acquiring directly or indirectly the control of another person, and includes the acquisition of voting securities, the acquisition of assets, bulk reinsurance, and mergers.
 - b. An "involved insurer" includes an insurer which either acquires or is acquired, is affiliated with an acquirer or acquired, or is the result of a merger.
 2.
 - a. Except as exempted in subdivision b, this section applies to any acquisition in which there is a change in control of an insurer authorized to do business in this state.
 - b. This section does not apply to:
 - (1) A purchase of securities solely for investment purposes so long as the securities are not used by voting or otherwise to cause or attempt to cause the substantial lessening of competition in any insurance market in this state. If a purchase of securities results in a presumption of control under subsection 2 of section 26.1-10-01, it is not solely for investment purposes unless the commissioner of the insurer's state of domicile accepts a disclaimer of control or affirmatively finds that control does not exist and the disclaimer action or affirmative finding is communicated by the domiciliary commissioner to the commissioner of this state.
 - (2) The acquisition of a person by another person when both persons are neither directly nor through affiliates primarily engaged in the business of insurance, if preacquisition notification is filed with the commissioner in accordance with subdivision a of subsection 3 thirty days prior to the proposed effective date of the acquisition. However, the preacquisition notification is not required for exclusion from this section if the acquisition would otherwise be excluded from this section by any other paragraph of this subdivision.
 - (3) The acquisition of already affiliated persons.
 - (4) An acquisition if, as an immediate result of the acquisition:
 - (a) In no market would the combined market share of the involved insurers exceed five percent of the total market;
 - (b) There would be no increase in any market share; or
 - (c) In no market would the combined market share of the involved insurers exceed twelve percent of the total market, and in no market would the market share increase by more than two percent of the total market.
- For the purpose of this paragraph, a "market" means direct written insurance premium in this state for a line of business as contained in the annual statement required to be filed by insurers licensed to do business in this state.
- (5) An acquisition for which a preacquisition notification would be required pursuant to this section due solely to the resulting effect on the ocean marine insurance line of business.
 - (6) An acquisition of an insurer whose domiciliary commissioner affirmatively finds that the insurer is in failing condition, there is a lack of feasible alternative to improving the insurer's condition, the public benefits of improving the insurer's condition through the acquisition exceed the public benefits that would arise from not lessening competition, and the findings

are communicated by the domiciliary commissioner to the commissioner of this state.

3. An acquisition covered by subsection 2 may be subject to an order pursuant to subsection 5 unless the acquiring person files a preacquisition notification and the waiting period has expired. The acquired person may file a preacquisition notification. The commissioner shall give confidential treatment to information submitted under this subsection in the same manner as provided in section 26.1-10-07.
 - a. The preacquisition notification must be in the form and contain the information prescribed by the national association of insurance commissioners relating to those markets which, under paragraph 4 of subdivision b of subsection 2, cause the acquisition not to be exempted from the provisions of this section. The commissioner may require additional material and information as the commissioner deems necessary to determine whether the proposed acquisition, if consummated, would violate the competitive standard of subsection 4. The required information may include an opinion of an economist as to the competitive impact of the acquisition in this state accompanied by a summary of the education and experience of such person indicating that person's ability to render an informed opinion.
 - b. The waiting period required begins on the date of receipt of the commissioner of a preacquisition notification and ends on the earlier of the thirtieth day after the date of its receipt, or termination of the waiting period by the commissioner. Prior to the end of the waiting period, the commissioner on a one-time basis may require the submission of additional needed information relevant to the proposed acquisition, in the event the waiting period ends on the earlier of the thirtieth day after receipt of the additional information by the commissioner or termination of the waiting period by the commissioner.
4.
 - a. The commissioner may enter an order under subdivision a of subsection 5 with respect to an acquisition if there is substantial evidence that the effect of the acquisition may be substantially to lessen competition in any line of insurance in this state or tend to create a monopoly therein or if the insurer fails to file adequate information in compliance with subsection 3.
 - b. In determining whether a proposed acquisition would violate the competitive standard of subdivision a, the commissioner shall consider the following:
 - (1) Any acquisition covered under subsection 2 involving two or more insurers competing in the same market is prima facie evidence of violation of the competitive standards:
 - (a) If the market is highly concentrated and the involved insurers possess the following shares of the market:

Insurer A	Insurer B
4%	4% or more
10%	2% or more
15%	1% or more
 - (b) Or, if the market is not highly concentrated and the involved insurers possess the following shares of the market:

Insurer A	Insurer B
5%	5% or more
10%	4% or more
15%	3% or more
19%	1% or more

A highly concentrated market is one in which the share of the four largest insurers is seventy-five percent or more of the market. Percentages not shown in the tables are interpolated proportionately to the percentages that are shown. If more than two insurers are involved, exceeding the total of the two columns in the table is prima facie evidence of violation of the competitive standard in subdivision a.

For the purpose of this paragraph, the insurer with the largest share of the market must be deemed to be insurer A.

- (2) There is a significant trend toward increased concentration when the aggregate market share of any grouping of the largest insurers in the market, from the two largest to the eight largest, has increased by seven percent or more of the market over a period of time extending from any base year five to ten years prior to the acquisition up to the time of the acquisition. Any acquisition or merger covered under subsection 2 involving two or more insurers competing in the same market is prima facie evidence of violation of the competitive standard in subdivision a if:
 - (a) There is a significant trend toward increased concentration in the market;
 - (b) One of the insurers involved is one of the insurance companies in a grouping of large insurers showing the requisite increase in the market share; and
 - (c) Another involved insurer's market is two percent or more.
 - (3) For the purposes of this subdivision:
 - (a) The term "insurer" includes any company or group of companies under common management, ownership, or control.
 - (b) The term "market" means the relevant product and geographical markets. In determining the relevant product and geographical markets, the commissioner shall give due consideration to, among other things, the definitions or guidelines, if any, promulgated by the national association of insurance commissioners and to information, if any, submitted by parties to the acquisition. In the absence of sufficient information to the contrary, the relevant product market is assumed to be the direct written insurance premium for a line of business, such line being that used in the annual statement required to be filed by insurers doing business in this state, and the relevant geographical market is assumed to be this state.
 - (c) The burden of showing prima facie evidence of violation of the competitive standard rests upon the commissioner.
 - (4) Even though an acquisition is not prima facie violative of the competitive standard under paragraphs 1 and 2, the commissioner may establish the requisite anticompetitive effect based upon other substantial evidence. Even though an acquisition is prima facie violative of the competitive standard under paragraphs 1 and 2, a party may establish the absence of the requisite anticompetitive effect based upon other substantial evidence. Relevant factors in making a determination under this paragraph include the following: market shares, volatility of ranking of market leaders, number of competitors, concentration, trend of concentration in the industry, and ease of entry into and exit from the market.
- c. An order may not be entered under subdivision a of subsection 5 if:
- (1) The acquisition will yield substantial economies of scale or economies in resource utilization that cannot be feasibly achieved in any other way, and the public benefits which would arise from such economies exceed the public benefits which would arise from not lessening competition; or
 - (2) The acquisition will substantially increase the availability of insurance, and the public benefits of such increase exceed the public benefits which would arise from not lessening competition.
5. a. If an acquisition violates the standards of this section, the commissioner may enter an order:
- (1) Requiring an involved insurer to cease and desist from doing business in this state with respect to the line or lines of insurance involved in the violation; or

- (2) Denying the application of an acquired or acquiring insurer for a license to do business in this state.
- b. The order may not be entered unless:
 - (1) There is a hearing;
 - (2) Notice of the hearing is issued prior to the end of the waiting period and not less than fifteen days prior to the hearing; and
 - (3) The hearing is concluded and the order is issued no later than sixty days after the date of the filing of the preacquisition notification with the commissioner. Every order must be accompanied by a written decision of the commissioner setting forth findings of fact and conclusions of law.
- c. An order pursuant to this subsection does not apply if the acquisition is not consummated.
- d. Any person who violates a cease and desist order of the commissioner under this subsection and while the order is in effect, after notice and hearing and upon order of the commissioner, may be subject at the discretion of the commissioner to any one or both of the following:
 - (1) A monetary penalty of not more than ten thousand dollars for every day of violation.
 - (2) Suspension or revocation of the person's license.
- e. Any insurer or other person who fails to make any filing required by this section and who also fails to demonstrate a good-faith effort to comply with any such filing requirement is subject to a fine of not more than fifty thousand dollars.
- f. Subsections 2 and 3 of section 26.1-10-10 and section 26.1-10-12 do not apply to acquisitions covered under subsection 2.

26.1-10-04. Registration of insurers.

- 1. Every insurer that is authorized to do business in this state and which is a member of an insurance holding company system shall register with the commissioner, except a foreign insurer subject to registration requirements and standards adopted by statute or rule in the jurisdiction of its domicile which are substantially similar to those contained in this section and section 26.1-10-05. Any insurer subject to registration under this section shall register within fifteen days after it becomes subject to registration, and annually thereafter by March first of each year for the previous calendar year unless the commissioner for good cause shown extends the time for registration, and then within the extended time. The commissioner may require any insurer authorized to do business in the state which is a member of an insurance holding company system not subject to registration under this section to furnish a copy of the registration statement, the summary specified in subsection 10 of section 26.1-10-04, or other information filed by the insurer with the insurance regulatory authority of the domiciliary jurisdiction.
- 2. Every insurer subject to registration shall file a registration statement with the commissioner on a form approved by the commissioner, which must contain current information about:
 - a. The capital structure, general financial condition, ownership, and management of the insurer and any person in control of the insurer.
 - b. The identity and relationship of every member of the insurance holding company system.
 - c. The following agreements in force and transactions currently outstanding or which have occurred during the last calendar year between the insurer and its affiliates:
 - (1) Loans, other investments, or purchases, sales, or exchanges of securities of the affiliates by the insurer or of the insurer by its affiliates.
 - (2) Purchases, sales, or exchange of assets.
 - (3) Transactions not in the ordinary course of business.
 - (4) Guarantees or undertakings for the benefit of an affiliate which result in an actual contingent exposure of the insurer's assets to liability, other than

- insurance contracts entered into in the ordinary course of the insurer's business.
- (5) All management agreements, service contracts, and all cost-sharing arrangements.
 - (6) Reinsurance agreements.
 - (7) Dividends and other distributions to shareholders.
 - (8) Consolidated tax allocation agreements.
- d. Any pledge of the insurer's stock, including stock of any subsidiary or controlling affiliate, for a loan made to any member of the insurance holding company system.
 - e. If requested by the commissioner, the insurer shall include financial statements of or within an insurance holding company system, including all affiliates. A financial statement may include an annual audited financial statement filed with the United States securities and exchange commission pursuant to the federal Securities Act of 1933, as amended, [15 U.S.C. 77a et seq.] or the federal Securities Exchange Act of 1934, as amended, [15 U.S.C. 78a et seq.] or the financial statement pursuant to this subdivision may satisfy the request by providing the commissioner with the most recently filed parent corporation financial statements that have been filed with the United States securities and exchange commission.

A disclaimer of affiliation is deemed to have

In the event of disallowance, the disclaiming party may request an administrative hearing, which must be granted. The disclaiming party is relieved of its duty to register under this section if approval of the disclaimer has been granted by the commissioner or if the disclaimer is deemed to have been approved.

The notice for an amendment or modification must include the reason for the change and the financial impact on the domestic insurer. Within thirty days after a termination of a previously filed agreement, informal notice must be reported to the commissioner for determination of the type of filing required, if any.

 - 4. The commissioner, in reviewing transactions pursuant to subsection 2, shall consider whether the transactions comply with the standards set forth in subsection 1 and whether they may adversely affect the interests of the policyholders.

5. The commissioner must be notified within thirty days of any investment of the domestic insurer in any one corporation if the total investment in that corporation by the insurance holding company system exceeds ten percent of the corporation's voting securities.

9. In determining whether a dividend or distribution is extraordinary under subsection 8, an insurer other than a life insurer may carry forward net income from the previous two calendar years which has not already been paid out as dividends. This carry-forward must be computed by taking the net income from the second and third preceding calendar years, not including realized capital gains, less dividends paid in the second and immediate preceding calendar years.

Any determination must be accompanied by specific findings of fact and conclusions of law.

26.1-10-10. Receivership.

Whenever it appears to the commissioner that any person has committed a violation of this chapter which so impairs the financial condition of a domestic insurer as to threaten insolvency or make the further transaction of business by it hazardous to its policyholders, creditors, shareholders, or the public, then the commissioner may proceed as provided in chapter 26.1-06.1 to take possession of the property of the insurer and to carry on its business.

26.1-10-10.1. Recovery.

1. If an order for liquidation or rehabilitation of a domestic insurer has been entered, the receiver appointed under the order may recover on behalf of the insurer:
 - a. From any parent corporation or holding company or person or affiliate that otherwise controlled the insurer, the amount of distributions other than distributions of shares of the same class of stock, paid by the insurer on its capital stock; or
 - b. Any payment in the form of a bonus, termination settlement, or extraordinary lump sum salary adjustment made by the insurer or its subsidiaries to a director, officer, or employee, if the distribution or payment under this subsection is made at any time during the one year preceding the petition for liquidation, conservation, or rehabilitation subject to the limitations of subsections 2, 3, and 4.
2. A distribution may not be recovered if the parent or affiliate shows that, when paid, the distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.
3. Any person that was a parent corporation or holding company or a person that otherwise controlled the insurer or affiliate at the time the distributions were paid is liable up to the amount of distributions or payments under subsection 1 the person received. Any person that otherwise controlled the insurer at the time the distributions were declared is liable up to the amount of distributions the person would have

- received if the person had been paid immediately. If two or more persons are liable with respect to the same distributions, they are jointly and severally liable.
4. The maximum amount recoverable under this section is the amount needed in excess of all other available assets of the impaired or insolvent insurer to pay the contractual obligations of the impaired or insolvent insurer and to reimburse any guaranty funds.
 5. To the extent that any person liable under subsection 3 is insolvent or otherwise fails to pay claims due from it, its parent corporation or holding company or person that otherwise controlled it at the time the distribution was paid must be jointly and severally liable for any resulting deficiency in the amount recovered from the parent corporation or holding company or person that otherwise controlled it.

26.1-10-11. Penalty.

1. Any insurer failing, without just cause, to file any registration statement as required in this chapter must be required, after notice and hearing, to pay a penalty of one hundred dollars for each day's delay. The commissioner may reduce the penalty if the insurer demonstrates to the commissioner that the imposition of the penalty would constitute a financial hardship to the insurer.
2. Every director or officer of an insurance holding company system who knowingly violates, participates in, or assents to, or who knowingly permits any of the officers or agents of the insurer to engage in transactions or make investments which have not been properly reported or submitted pursuant to sections 26.1-10-04 and 26.1-10-05, or which violate this chapter, shall pay, in their individual capacity, a civil penalty of not more than one thousand dollars per violation, after notice and hearing before the commissioner. In determining the amount of the civil penalty, the commissioner shall take into account the appropriateness of the penalty with respect to the gravity of the violation, the history of previous violations, and such other matters as justice may require.
3. Whenever it appears to the commissioner that any insurer subject to this chapter or any director, officer, employee, or agent thereof has engaged in any transaction or entered a contract which is subject to section 26.1-10-05 and which would not have been approved had the approval been requested, the commissioner may order the insurer to cease and desist immediately any further activity under that transaction or contract. After notice and hearing, the commissioner may also order the insurer to void any contracts and restore the status quo if it is in the best interest of the policyholders, creditors, or the public.
4. Whenever it appears to the commissioner that any insurer or any director, officer, employee, or agent thereof has committed a willful violation of this chapter, the commissioner may institute criminal proceedings in the district court of the county in which the principal office of the insurer is located or if the insurer has no principal office in the state, then in the district court of Burleigh County against the insurer or the responsible director, officer, employee, or agent of the company. Any insurer that willfully violates this chapter may be fined not more than fifty thousand dollars. Any individual who willfully violates this chapter may be fined in the individual's capacity not more than ten thousand dollars.
5. Any officer, director, or employee of an insurance holding company system, who willfully and knowingly subscribes to or makes or causes to be made any false statements or false reports or false filings with the intent to deceive the commissioner in the performance of the commissioner's duties under this chapter may be fined not more than fifty thousand dollars. Any fines imposed must be paid by the officer, director, or employee in the person's individual capacity.
6. If it appears to the commissioner any person has committed a violation of section 26.1-10-03 which prevents the full understanding of the enterprise risk to the insurer by affiliates or by the insurance holding company system, the violation may serve as an independent basis for disapproving dividends or distributions and for placing the insurer under an order of supervision in accordance with chapter 26.1-06.2.

26.1-10-12. Rulemaking.

The commissioner may adopt rules and issue orders necessary to carry out this chapter.

26.1-10-13. Judicial review - Mandamus.

1. Any person aggrieved by any act, determination, rule, order, or any other action of the commissioner under this chapter may appeal to the district court for Burleigh County. The court shall conduct the review without a jury and by trial de novo, except if all parties, including the commissioner, so stipulate, the review must be confined to the record. Portions of the record may be introduced into evidence by stipulation in a trial de novo as to those parties so stipulating.
2. The filing of an appeal under this section stays the application of any rule, order, or other action of the commissioner to the appealing party unless the court, after giving the party notice and an opportunity to be heard, determines a stay would be detrimental to the interest of policyholders, shareholders, creditors, or the public.
3. Any person aggrieved by any failure of the commissioner to act or make a determination required by this chapter may petition the district court for Burleigh County for a writ in the nature of a mandamus or a peremptory mandamus directing the commissioner to act or make a determination.
