Minutes:

The hearing was opened on SB 2093.

MURIEL PETERSON, Program Administrator of the Aging Services Division, Department of Human Services, introduces the bill stating it was a housekeeping to correct a wrong number in Code. (Written Testimony)

SENATOR KILZER asked if the assisted living bill from last session would affect this in any way.

MS. PETERSON: As a result of last session this error occurred as far as the reference.

There are two bills in the House that deal with assisted living.

SENATOR MATHERN: If these are to go into effect do we need an Emergency Clause so it will go into effect July 1? MS. PETERSON: We are not operating with this definition because it will not go into effect until August 1. This will clean up the language so everything will begin

July 1. SENATOR LEE: Perhaps we need to consider an emergency clause so it goes into effect. We will have the intern check into the necessity of the of an emergency clause.

There was no further testimony.

After discussion SENATOR MATHERN moved to amend the bill with the emergency clause.

SENATOR POLOVITZ seconded it. Roll call vote carried 6-0

SENATOR MATHERN moved a DO PASS AS AMENDED. SENATOR KILZER seconded it.

Roll call vote carried 6-0. SENATOR MATHERN will carry the bill.

DR. MURRAY SAGSVEEN introduce a special guest, Dr. Kurban Seithe Pesov, from Turkmanistan, and his interpreter, Valentina Shevchenko. Dr. Pesov is in America working together on a partnership with the two countries.

2001 TESTIMONY

SB 2093

TESTIMONY BEFORE SENATE HUMAN SERVICES COMMITTEE

SB 2093

January 15, 2001

Chairman Lee and members of the Senate Human Services Committee, I am Muriel Peterson, Program Administrator of the Aging Services Division, with the Department of Human Services. One of my responsibilities is responding to matters pertaining to "assisted living."

Senate Bill 2093 corrects an error in North Dakota Century Code section 50-24.5-01(2), which provides the definition of an assisted living facility. Subdivision (e) should reference chapter 23-16, licensing of medical hospitals by the State Health Department, but instead incorrectly references chapter 23-20, pertaining to radiation. Chapter 23-16, essentially states that if a facility is licensed by the State Health Department, it is not subject to the requirements of Chapter 50-24.5.

The Department of Human Services requests that the Committee give this bill a "do pass" recommendation. I will be available to answer questions the Committee may have.

TESTIMONY BEFORE HOUSE HUMAN SERVICES COMMITTEE

REGARDING SENATE BILL 2093

February 16, 2001

Chairman Price and members of the House Human Services Committee, I am Muriel Peterson, Program Administrator of the Aging Services Division, with the Department of Human Services. One of my responsibilities is responding to matters pertaining to "assisted living."

Section 1 of Senate Bill 2093 corrects an error in North Dakota Century Code section 50-24.5-01(2), which provides the definition of an assisted living facility effective July 1, 2001. Subdivision (e) should reference chapter 23-16, licensing of medical hospitals by the State Health Department, but instead incorrectly references chapter 23-20, pertaining to radiation. Chapter 23-16, essentially states that if a facility is licensed by the State Health Department, it is not subject to the requirements of Chapter 50-24.5.

Sections 2 and 3 are necessary in order for the corrected citation to coincide with the effective date of the statutory definition, July 1, 2001.

The Department of Human Services requests the Committee give this bill a "do pass" recommendation. I will be available to answer questions from the Committee.
