2001 TESTIMONY

SB 2148

TESTIMONY ON SB 2148
SENATE EDUCATION COMMITTEE
January 16, 2001
by Tom Decker, Director of Finance and Organization
328-2267
Department of Public Instruction

Mr. (Madam) Chairman and members of the committee:

I am here to speak in support of Senate Bill 2148.

The Department of Public Instruction introduced SB 2148 to respond to issues which arose over the biennium regarding the process of annexation, reorganization, and dissolution. Most of the changes in the bill simply are housekeeping. There is one substantive change that appears in Section 3 on pages 4 and 5. Before we go through that Section, other changes in the bill such as the clarification of language on line 14, page 1, and on page 3, lines 13, 26, and 27 provide clarifications for aspects of the current process. In Section 3, the new language starting at line 29, page 4, renders annexations involving property currently included in proposed organization plan void and limits annexations until the reorganization process is completed or defeated by the voters. It is important to remember, school districts in the course of the reorganization process have the right to leave parts of any district involved in the reorganization out of the organization. If they do that, those parts left out of the reorganization plan would be involved in a hearing process before the State Board of Public Education. The Board would make a decision about where that land would be attached. After reorganization is completed, any patron of the new district would again have access to the annexation process under the statutory provisions for annexation. The new language in Section 4, page 6, lines 14-21, again provides clarification of the current reorganization hearing process. The same is true on the added language on page 7, lines 4-8. There is similar additional language in Section 5, page 9, lines 2-4 and 16-18.

TESTIMONY OF ASSISTANT ATTORNEY GENERAL
LEA ANN SCHNEIDER REGARDING SENATE BILL NO. 2148
BEFORE THE HOUSE EDUCATION COMMITTEE ON FEBRUARY 28, 2001.

Chairperson Kelsch, members of the committee, my name is Lea Ann Schneider. I am an Assistant Attorney General and am appearing here in my capacity as legal advisor for the State Board of Public School Education.

Senate Bill 2148 relates to school district annexations, reorganizations, and dissolutions. The bill does six things:

1. It authorizes the State Board of Public School Education to make rules regarding annexations, reorganizations, and dissolutions instead of requiring it to make such rules.
 - State law is quite detailed regarding the requirements for school district annexations, reorganizations, and dissolutions, which makes rulemaking unnecessary.
 - (See Section 1 of the bill.)
2. It suspends all annexation petitions until a reorganization plan has completed the process and has been either approved or denied by the voters.
 - The suspension of annexation petitions is currently in the law for dissolutions.
 - Suspension of the annexation petitions makes the process cleaner.
 - (See page 4 line 29, page 5 lines 1 – 6.)
3. It clarifies which county committees hear a reorganization.
 - (See page 6 lines 14 – 21.)
4. It provides that, when two or more county committees hear an annexation, the county committees shall make their decisions separately regarding approval of the annexation.
 - Left out of the title 15 rewrite last session.
 - County committees have always voted separately.
 - (See page 3, lines 26 – 27.)

5. It clarifies how many days notice must be given for State Board hearings or meetings regarding annexations, reorganizations, and dissolutions.
 - The law requires county committees to give fourteen days notice and the State Board has always given fourteen days notice for its meetings and hearings.
 - (See page 3 line 13, page 7 lines 4 – 8, page 9 lines 2 – 4, and page 9 lines 16 – 18.)
6. It removes the limitation on the frequency with which annexation petitions involving the same property may be brought before the county committee.
 - All decisions of county committees may be appealed to the State Board and the law currently provides for the frequency with which an annexation involving the same property can be brought before the county committee if it is denied by the State Board.
 - (Compare page 3 lines 28 -- 31 and page 4 lines 1 – 2, with page 4 lines 3 – 7.)

I would like to propose one amendment to clarify that the filing of a reorganization plan on and after the effective date of the bill will suspend annexation petitions. If the bill is passed, it will be effective on August 1, 2001.

I would be glad to answer any questions.
