Minutes:

The hearing was opened on SB2250; relating to state aid distribution fund allocations among political subdivisions. All present in attendance.

SENATOR NELSON: Sponsor of SB2250, recommend a Do Not Pass on this bill. The problem we believe has been resolved in some negotiations between the counties and the Garrison Conservancy District. The bill is not needed at this point, but I just want to be sure, that the committee is aware that should the negotiations not be completed, or if we can't find the final way to take care of this problem the issue may be back before your committee at a later time during this session. SENATOR FLAKOLL: Do we know what kind of time line there looking at all? SENATOR NELSON: I think it is already in progress. I think that there has been a good faith agreement. I think that it is in progress. I will keep the chairmen informed as to what is happening in the discussions, but, I have all the confidence in the world that their going to come to an agreement that will make it work. SENATOR POLOVITZ: Senator Nelson, is this bill
