

## NOTICE OF INTENT TO AMEND ADMINISTRATIVE RULES

TAKE NOTICE that the North Dakota Aeronautics Commission will hold a public hearing to address proposed amendments of N.D. Admin. Code Article 6-02-02. The public hearing will take place at 9:00am on August 10<sup>th</sup>, 2021 at the North Dakota Aeronautics Commission office located at 2301 University Drive, Building 22, Bismarck ND.

The proposed amendment to the rule provides for an addition of commercial pilot safety standards for unmanned aircraft companies and an ability for those companies to receive a license to operate with unmanned aircraft that have a maximum operating weight of 100 lbs. Additionally, the proposed rules include requirements for pesticide certification through the NDSU Extension office for all aerial applicator licenses. The proposed amendments and adoption of these articles is not expected to have an impact on the regulated community in excess of \$50,000.

The proposed rules may be reviewed at the North Dakota Aeronautics Commission Office which is located at 2301 University Drive, Building 22, Bismarck ND. A copy of the proposed rules may be requested by writing to: P.O. Box 5020, Bismarck ND, 58504, e-mailing [ndaero.nd.gov](mailto:ndaero.nd.gov) or calling 701-328-9650. Written or oral comments of the proposed rules sent to the above address or telephone number and received by August 20<sup>th</sup>, 2021 will be fully considered.

If you plan to attend the public hearing and will need special facilities or assistance relating to a disability, please contact the North Dakota Aeronautics Commission at the above telephone number or address at least one day prior to the public hearing.

Dated this 22<sup>nd</sup> day of June, 2021.

Kyle Wanner, North Dakota Aeronautics Commission Director
