

CHAPTER 54-02-11

SHORT-TERM CLINICAL EDUCATION

Section

54-02-11-01 Short-Term Clinical Education

54-02-11-01. Short-term clinical education.

1. Short-term clinical education. A North Dakota health care facility may conduct a program to allow nurses licensed by another jurisdiction to receive short-term clinical education that involves direct patient contact and does not exceed eighty hours.
2. The North Dakota health care facility that will provide short-term clinical education to persons who do not have a license to practice in North Dakota must receive written approval from the board prior to commencing the program.
3. The following information must be submitted to the board prior to commencing the program and every twenty-four months or as changes occur to the program:
 - a. Syllabus that includes objectives.
 - b. Name and qualification of the North Dakota registered nurse who is responsible for providing the clinical education and the required supervision.
 - c. Name of nurse participating in the program and verification of current, unencumbered license from another jurisdiction.
 - d. Verification of the limit of eighty hours of practice in a calendar year.
 - e. Submission of a nonrefundable two-year approval fee of one hundred dollars.

History: Effective April 1, 2004.
