<sup>1</sup>Legislative session compensation was constitutionally limited to \$5 per calendar day, and the level of expense reimbursement during legislative sessions was set by statute at \$85 per calendar day for a total of \$90 per day.

<sup>2</sup>The constitutional provision limiting legislative compensation was repealed on June 8, 1982, by voter approval of Measure No. 4, which created Section 26 of Article XI of the Constitution of North Dakota, and provides that:

The legislative, executive, and judicial branches are coequal branches of government. Elected members and officials of each branch shall receive as compensation for their services only such amounts as may be specifically set by law. Payment for necessary expenses shall not exceed those allowed for other state employees.

After the adoption of the 1982 constitutional amendment, the subsequent 1983 Legislative Assembly amended Section 54-03-20 to set the levels of legislative session compensation and expense reimbursement at \$40 per day and \$50 per day, respectively. As an exception to the compensation and expense reimbursement rates provided to other legislators, legislators from Bismarck received \$90 per day as compensation and no expense reimbursement. Consequently, the total of legislative session expense reimbursement and compensation for all legislators remained unchanged at \$90 per day.

<sup>3</sup>The 1995 Legislative Assembly amended Section 54-03-20 to provide that legislators receive compensation of \$90 per calendar day during the legislative session plus reimbursement for lodging up to \$600 per month. Section 54-03-20 was also amended to provide that the \$180 per month payment to legislators during their terms of office was compensation rather than reimbursement for expenses.

<sup>4</sup>The 1997 Legislative Assembly amended Section 54-03-20 to provide that compensation may be paid monthly, rather than every 6 months, at the option of each legislator.

<sup>5</sup>The 2005 Legislative Assembly increased legislators' monthly compensation from \$250 to \$350 per month effective July 1, 2005, and increased the maximum lodging expense reimbursement allowed during legislative sessions from \$650 to \$900 per month effective January 1, 2005.
